Oasis Salon Etiquette:

At Oasis health & beauty day spa, we like to provide each and every client with a true experience in a relaxing and tranquil environment. As a courtesy for all clients please turn off all electronic devices and use a lowered voice. We understand that your schedule changes or un-foreseen circumstances do occur. If you do need to cancel or change your appointment, we kindly ask that you do provide at least 24 hours notice, otherwise a fee of at least 50% may apply. Full payment for your treatments will apply, if you do not attend your appointment without notice. For all group bookings, we do require at least 3 days notice for cancellations and changes to your appointment. Our appointments are co-ordinated to allow the right time for each client, please arrive 5-10 minutes before your treatment time, as we may need you to fill out forms.

We encourage you to relax on our comfortable lounges, and your therapist will attend to you. If you will be arriving late, please call us! We would love for you to still enjoy your treatments, however your treatment time may be lessened if we do not have extra time available.
 All appointments booked in for at least 1.5hrs will require credit card details or a 50% deposit. No amount will be deducted from your cards unless the above circumstances do occur.
 At Oasis, we pride ourselves on providing each of our clients with friendly, professional service and relaxing, unforgettable treatments.
 We look forward to welcoming you into our day spa and hope you enjoy your experience!

Enhance your results with: Add Micro to any Facial 25.00

IPL Skin Rejuvenation

The power of Light & Heat Therapies is well known for it's driven results, in today's Medical and Beauty Industry. IPL smoothly and quickly emits light, working into the deeper layers of our skin, helping to combat concerns that can be hard to fix with just Skincare products alone. Acne - Treats the Bacteria that causes Acne, whilst helping to repair scarring Pigmentation - Reduces the appearance of Freckles, sun spots, pigmentation, and flat birthmarks. Anti-Ageing - Softens Fine lines and wrinkles, improves skin texture, plumps collagen and elasticity. Vascular - Reduces Facial Redness, Rosacea, Broken Capillaries, and spider veins. Prices & Packages are personalised just for you, with our FREE Consultation

Dermafill Facial 1 treatment 155.00

Pain free, needle free, skin firming treatment to help lighten, brighten and plump the skin, restoring the youthful glow and hydration back into the skin. Treatment includes microdermabrasion.

Skin Needling 1 treatment 180.00

This outstanding medical therapy uses Micro Needles to stimulate the dermal layer, accelerating our skin's natural healing process. This is the perfect treatment to assist in reducing pigmentation including hyperpigmentation (Vitiligo), Facial Scarring, Stretch Marks, Chicken pox scarring, reduces lines and wrinkles. Whilst healing your skin, it will improve your skin's texture, stimulate and plump your natural collagen and elasticity.

Thermo Skin Tightening 1 treatment from 180.00

Lift, Tighten and Rejuvenate unwanted wrinkles and saggy skin with our RF Thermage treatment. This treatment can be performed on the Face or Body. Course packages available for ultimate results

Natural & Organic Peels add to any Facial 27.00

Brightening Effect - Experience a skin renewing peel that reduces sun damage, pigmentation, minimises pores, all whilst firming and softening. This peel includes amazing ingredients like Licorice Root, Arctic Berry, Yam and Pumpkin to give you illuminating results.

Firming Blueberry Detox - With the combination of berries and pineapple extracts this peel will pack your skin with vitamins and antioxidants to deeply clean you pores, exfoliate, nourish and refresh your skin.

Mangosteen Lactic Pro - Provides a complete surface and pore-refining treatment by removing impurities and dead skin cells while minimizing pores and smoothing the look of skin. This revitalizing peel is perfect for breakouts, dull tired complexion and even for sensitive skin.

Clear Skin - A deep-cleansing, clarifying peel for problematic skin. Ingredients like Willow bark, tomato extract and natural fruit acids will help to calm your skin, reduce the appearance of redness and inflammation. This peel will also help reduce pore size and your skin is left feeling clear, smooth and revitalized.

Massage

We love to give each of our client's an amazing massage experience, and assist in helping with pain, fatigue, injuries and recovery! We use certified organic Massage and Aromatherapy oils, caring for your body from the inside, out.

(Course packages are available for the vibrosaun, infrared sauna and spa)

Slimming

International Contour 1 treatment 160.00

Body Wrap 5 treatments 650.00
If you are wanting to lose a few centimetres, slip into that dress or wanting to assist in getting better results with your diet and exercise, this treatment is for you! This body wrap will work on the skin and soft fatty tissues, allowing you to feel trim, toned and terrific. Lose 6 inches in one treatment.

I-Blanket 30 minutes 36.00

	45 minutes	46.00
	60 minutes	56.00

Burning fat has never been so HOT!! This treatment is designed to eliminate toxins stored in fat cells, burning approximately 600+ calories in one session. It will also assist in improving blood circulation and skin quality, cleanses impurities and promotes both sweating and furthermore thermogenesis. The I-Blanket utilises far infrared rays to heat the body from the inside out, as opposed to traditional saunas that penetrate heat around you.

Just the I-Blanket or added to another treatment 30.00

Ultrasound Cavitation & RF 1 treatment 150.00

	6 treatments	750.00
	(6th treatment FREE)	

Non-surgical lipo-sculpting treatment with no down time and fast results! Aids to smooth, firm and rejuvenate skin cells whilst targeting cellulite and stubborn fat. **Ultrasound cavitation also includes I-Blanket.**

Yummy Mummy Package 350.00

Includes I-Blanket, Cavitation and Contour Body Wrap
